Classroom Handwriting Contest

Cursive

Give each student a copy of the entry form and ask them to complete the writing prompt. When everyone is finished, collect the submissions and sort them based on general readability. Select 5 or 10 entries (it's up to you how many you'd like to score) that you feel are the best in the class. Or, if you'd like to involve your students in the judging process, ask them to help select the top 5 or 10 entries. Then, use the below criteria to score each entry (Score Sheets are included on the next page). The highest score is your classroom winner.
